# Smart Solutions Professional Push-To-Talk Service

Professional Push-To-Talk ● [www.nexedge.com.my](http://www.nexedge.com.my) ● [sales@nexedge.com.my](mailto:sales@nexedge.com.my) ● +603 2303 4426 Available for FREE download

## Walkie Talkie with no distance limit!

Use voice PTT, anytime & anywhere with no distance limit. Support voice PTT communication environment between IP based Push-To-Talk service and Two-Way radios.

Products can be connected with your current system or support you to build your own video Push-To-Talk system. It's possible to use our services without building a separate system.
